What kind of future for Israel and Palestine? Rev. Dr. Rick Horst (Moderator of the 137th General Assembly) led a group of seven colleagues on an exposure tour through Lebanon, Israel and Palestine. Seeking to discover the real conditions on the ground for Palestinians in the West Bank and in refugee camps in Lebanon was the main purpose of this trip. Rick’s photos and narrative commentary will help us to explore the questions and issues which challenge the hope for a real and lasting peace in ... ***the land we call holy***. Join us ... Christian Education News

Only 36 days left in Lent. Did you give something up? Have you stuck to it so far?

Thank you so much to everyone who came and supported the youth group at our **Pancake Tuesday** dinner! We raised over **\$500!** Thank you especially to the youth, kids, and parents who helped to set up, cook and clean.

Today, join us after the service for chili, veggies, and buns. Have fun talking and laughing while you eat with our church family, and help support the youth if you are able.

This morning the children will place a **ball** at the front of the church. Today the youth lead the kids in games that taught lessons. Thank God for giving us bodies to play and learn with!

Youth don't forget: next Friday, February 22nd, we're meeting at Cindy's house at 6:30 for **tobogganing!**

Bring a snack; Cindy will have hot and cold drinks. If the weather is gross, bring your favourite board game, and we'll still have fun!

Next Sunday, youth, be sure to be here on time!

We'll meet at the church and walk over to Church Of Our Lady together.

Check out photos from recent children and youth events, posted on the Good News Board. Don't forget to bring in pictures, articles, etc. from your special life events and celebrations. There are also a few older pictures up on the wall outside the Church School.
