The Earth is 70% water. Less than 1% is available fresh (not salt) water.

- Use less water.
- Fix dripping faucets.

CHRISTMAS PAGEANT (December 2nd)

This year we are planning a good old fashion Christmas Pageant from a new point of view – the perspective of the angels. We will be looking in on what it was like in heaven during the birth of Jesus. The cast of characters will be sure to make this year's pageant a memorable one - but, we need your help. Please volunteer on the sign-up sheet on the Welcome Center to:

- Be a cast member (all ages)
- Help with rehearsals
- Help with set design
- Lighting
- Set-up and removal
- Costumes
