

## **Rejuvenate 190 Campaign St. Andrew's Guelph 2016 – 2018**

In 2018, St. Andrew's Guelph will be celebrating its 190<sup>th</sup> year as a community of faith in the City of Guelph. As a part of our celebrations, we have launched a three-year campaign to raise \$190,000 to restore our historic and picturesque sanctuary. If we exceed our goal, we will rejoice by sharing our good fortune with the wider community in some tangible way yet to be determined... so here's to raising more than we need to accomplish our goal!

### **What are we raising \$190,000 for?**

#### **1. Replacing our Sanctuary Roof**

This project has been completed under budget.

#### **2. Steeple Repairs**

The plan is to begin this project in the Spring.

#### **3. Plaster Repairs in the Sanctuary**

Now that a new roof is in place, we are waiting to ensure that the moisture from past leaks have dried up and we will proceed with this project soon.

#### **4. Upgrading the Sound System**

Our sound system is showing its age and requires some upgrades so that all can effectively hear the goings on at St. Andrew's through the week and on Sunday mornings.

#### **5. Replacement of the sanctuary flooring**

The carpet has suffered from leaks, tears and wear over the years. It is time to replace the flooring for the sake of safety and aesthetics.

*You can be a part of history in the making...*

**Your support** of our campaign will ensure that our community will continue to have a special place to practice our faith for many years to come...

**Your support** will bring delight to families who come to St. Andrew's to mark significant occasions in their lives whether that be weddings, baptisms, or funerals...

**Your support** will mean that our City will have a beautiful and well cared for space to hold special events, concerts, gatherings to create memories that will last...

**So join us** in seeking to exceed our goal of \$190,000... so that we can bless others in our community with the generosity of those who have supported our campaign.

As of the end of March 2017, **we have raised a total of \$137,000**. That's **72%** of our GOAL of \$190,000. **We are so grateful** for the fantastic response to our campaign thus far. It won't be long until we exceed our expectations!
