Chalmers Challenge Update: In August, St. Andrew's donated 200 pounds of food to Chalmers for a 2017 total of 1873 pounds which represents 94% of our goal for the year. Praise God! We will have to donate an average of 32 pounds per month for the next 4 months to achieve our goal. During August, 257 packages of diapers were given out. Chalmers Downtown has now re-opened even though construction is not yet finished. The building was open for tours as part of the United Way kick-off on September 6 and the United Way donated their left-over buns and sausages to Chalmers. A real treat for the Wednesday night guests!
